

## A Guide to Traveling to Barcelona Spain

If you are interested in traveling to Spain, then Barcelona is one location in particular that you are definitely going to want to check out. Not only is it one of the most beautiful and cultural, but as well the most accommodating. It is actually one of the most popular tourist destinations in all of Spain, and it is no wonder why. If you are planning on traveling to [Barcelona, Spain](#), there are a few things in particular you are going to want to think about.

### Getting There

When it comes to actually getting to Barcelona Spain, the best option that you have is to fly. You can find some really great air package deals that offer roundtrip for a low price, you just have to take some time and look around. Also remember that by waiting until just a week or two before your actual trip to book a flight, you may end up saving even more because there will be cancellation tickets and sale tickets available.

### Getting Around

Not only do you have to worry about actually getting to Barcelona Spain but you also have to think about what you are going to do for transportation once you get there. Train and bus are the most commonly used forms of transportation in the city, especially for tourists who usually do not have their own vehicles.

There is the option of vehicle rentals however, and there are tons of different auto rental companies that you can go to for this in Barcelona Spain. Don't worry so much about the look of the vehicle, because all you really need it for is getting from here to there so don't worry about spending too much money just to get something flashy.

### Accommodations

You are going to have to have a place to stay in Barcelona Spain, and so you are going to have to be aware of the available accommodations beforehand and make reservations. Try to book as early on as you can so that you will be able to get fit in, and again make sure that you stick carefully to your budget when planning this in.

### Sites and Attractions

There are so many wonderful things that you can do in Barcelona Spain, including guided tours, seeing the attractions, trying out the delicious cuisine, and much more. You should really plan out every detail of your trip as best you can before you leave, so that you can fit in as much as possible and make the most of your time there.
