

## Bellagio Hotel Las Vegas

The Bellagio Hotel is home to the fabulous and famous Cirque du Soleil show "O". And this is just the start of your Las Vegas vacation fun as the Bellagio Hotel has so much more to offer. The style of this luxury hotel is taken from the theme of a Roman extravaganza. It sits at the edge of a 10-acre man-made lake which provides you with a host of activities. There are also some 20 restaurants and cafes on site, a 65,000 square foot spa and salon and a numerous other attractions

There are 3,241 rooms and 512 suites inside the Bellagio. This casino also includes a 45, 000 square foot Grand Ballroom, 22, 000 square foot Bellagio Ballroom and 14 meeting rooms. There are tonnes of shopping that can be done inside the Bellagio, 10 shops to choose from. All the shops are located in the Via Bellagio. If you want to just relax and unwind there is a 65,000 square foot Spa. This spa offers multiple types of massages and services in its 56 treatment rooms. This casino has world class dining, with tones of restaurants to choose from. Some restaurants you can dine at are; Jean- Philippe, Pali Pronto, Picasso, Sensi, Jasmine and many more.

Just outside the hotel is the Beautiful Bellagio Fountains. Here you can see an incredible water ballet created by a thousand choreographed sprays that burst into the air and blossom like flowers. The display is accompanied by classical music that matches the beat of the water jets. They are so mesmerizing that it is not uncommon for Las Vegas visitors to spend an hour or more gazing at the water show, especially at night.

Guest's rooms contain a flat screen television with pay per view movies, mini bar and in room safe. There are a number of up market stores in the Bellagio Hotel Las Vegas complex, including Tiffany and Chanel. Guests can enjoy the use of six different swimming pools. There are several restaurants, including the award winning Le Cirque, a French cuisine experience by the lake. Japanese and Chinese restaurants are also first class and there is a traditional steakhouse.

The Spa and Salon offers a range of treatments for guests of the Bellagio Hotel Las Vegas, including facials, yoga and water massages. There are also fitness equipment and weight machines for a good workout. A personal instructor is on hand to give advice.

The poker room attracts professional poker players, who take advantage of the high table limits. The venue has hosted the World Poker Tour tournaments. It is rare for a Las Vegas hotel to have a permanent show but the Cirque du Soleil's production of 'O' is outstanding. It's an aquatic show, featuring synchronized swimmers, divers and acrobats. It's a combination of street theater, folklore traditions, martial arts and circus fire stunts.
